

The Discovery Benefits Mobile Application

Check out the Discovery Benefits Mobile Application for iPhone, iPad and Android devices. It's never been easier or more convenient to access your account information. Our App allows you to upload receipts, check your balances, view final filing dates, access claim detail, contact customer service and even file a claim.

The data transfer is secure as we utilize 128-bit SSL on all mobile transmissions and a passcode is required each time you enter the App. No pictures are stored on the phone, so you can rest assured that your information is safe.

The Discovery Benefits Mobile Application will simplify how you use your Flexible Spending Account, Health Savings Account, Parking/Transit Account or Health Reimbursement Arrangement. Get the App today - available FREE in the iTunes Store and Google Play Store.
