

We want you to know about a special smartphone app now available for CoorsTek employees. We are introducing **MyChap** - a free smartphone app that enables employees with easy and immediate access to their assigned Chaplain Care Team.

- Simple to install on most smartphones using either Android or iPhone systems
- Enter no personal data, only a 3 or 4 digit Location ID# once
- Provides 24/7 contact and interface with chaplains via phone, text, or email as well ability to schedule a personal appointment with a chaplain away from work
- Includes access to a variety of brief, care and support articles covering a wide range of topics.

Installation is simple:

1. Go to your App Store (iTunes or Google-Play)
2. Click on search icon
3. Enter **MyChap** in the search box
4. Install **MyChap** app
5. Click on MyChap and enter ID number for your work location
