

1. APPLICABILITY. These “Terms and Conditions of Sale” (the “Terms”), and the accompanying quotation, sales order confirmation, invoice or other documents provided by CoorsTek Sweden AB or any of its subsidiaries or affiliates (“CoorsTek”) constitute an offer (the “Offer”) by CoorsTek to sell to the buyer to which this Offer is directed (“Buyer”) the goods (“Goods”) and/or services (“Services”) identified in the Offer. The Offer consists of these Terms and the accompanying quotation, sales order confirmation, invoice or other documents provided by CoorsTek and contains all and the only terms and conditions upon which CoorsTek will sell Goods and Services to Buyer. CoorsTek may withdraw or revoke the Offer at any time prior to Buyer’s acceptance. Unless otherwise indicated in writing, the Offer expires 30 days from the date of issuance by CoorsTek.

2. ACCEPTANCE AND ACKNOWLEDGE OF OFFER. Buyer’s acceptance of the Offer will be confirmed by the earlier of Buyer timely (a) placing a purchase order or other request for CoorsTek to supply the Goods or Services, (b) providing any other written or oral indication that the Offer has been accepted and that the right to supply the Goods or Services has been awarded to CoorsTek, or (c) accepting delivery of the Goods or Services supplied by CoorsTek. Upon such acceptance, the Offer (including these Terms) will form a valid and binding supply contract and will constitute the entire agreement between Buyer and CoorsTek for the sale of Goods and Services (the “Order”). The Offer is expressly conditioned on Buyer’s unconditional acceptance of these Terms and the prices, specifications, and other terms stated in the Offer. CoorsTek expressly rejects all additional or different terms or conditions (i) submitted to CoorsTek in Buyer’s tender or request for proposal/quotation documents, purchase orders, shipping instructions or other acceptance documents, (ii) as set forth under any prime or other contract to which Buyer is a party, and (iii) implied by trade, custom, practice, or course of dealing. Buyer acknowledges that such additional or different terms and conditions will be deemed material alterations to the Offer and will not form part of the Order. Fulfillment of the Order by CoorsTek does not constitute acceptance of any of other terms and conditions and does not serve to modify, add to, or amend the Order, regardless of when or how such terms and conditions were submitted to CoorsTek.

3. PRICES. CoorsTek reserves the right during execution of the Order to adjust the prices for Goods and Services if CoorsTek’s costs of performing the Services or producing, manufacturing, packaging, storing, or transporting the Goods increase as a result of (a) CoorsTek’s compliance with any new or amended rules, policies or Specifications of Buyer, (b) CoorsTek’s compliance with any new or amended law, regulation, or ordinance, including without limitation any change in, or introduction of, a tax and/or increased costs (such as the cost of acquiring permits or credits and plant modifications or additions) related to the management of greenhouse gas emissions or concentrations or the management of water usage or conservation, or (c) a significant change in CoorsTek’s costs for raw materials, wages, production of the Goods, or performance of the Services, as determined by CoorsTek in its sole discretion. Such price adjustments will become effective 30 days after the date CoorsTek provides Buyer with written notice of such price adjustment.

4. PAYMENT. Buyer will pay to CoorsTek the prices set forth in the Order no later than 30 days from the date of invoice. All payments will be made in the manner and to the place identified in the invoice. Extended payment terms are available, pending CoorsTek’s credit manager approval and are subject to additional charges. All Orders are subject to management approval and periodic review of credit and payment terms, which may be modified by CoorsTek on reasonable notice for cause. Payments not received when due will incur service charges at a rate of 1.5% per month (18% per annum) of the unpaid amount until paid. CoorsTek reserves the right, among other remedies, to limit or cancel the credit of Buyer, suspend further deliveries or performance, or terminate the Order if Buyer fails to pay any invoices when due. No rebates or discounts will apply if Buyer’s account is more than 30 days past due. Buyer will pay all reasonable attorneys’ fees,

collection costs, and other expenses incurred by CoorsTek for collection of past due invoices. All claims for money due or to become due from Buyer will be subject to deduction or set off by CoorsTek by reason of any counterclaim arising out of the Order or any other transaction with Buyer.

5. SPECIFICATIONS. CoorsTek will manufacture the Goods strictly in accordance with the drawings and/or specifications provided by Buyer or otherwise agreed upon by Buyer and CoorsTek in writing (the “Specifications”). If any of the Goods are to be manufactured in accordance with Specifications provided by Buyer, Buyer may make changes to the Specifications at any time upon reasonable advance notice to CoorsTek. If such changes result in delay or additional expense to CoorsTek, un-recouped capital expenditures, or unusable raw materials, WIP or finished goods, or if such changes result in the obsolescence of any Goods or materials, CoorsTek will make an equitable adjustment to the prices and/or delivery schedule, as determined in CoorsTek’s sole discretion.

6. DELIVERY. Unless otherwise stated on the Order, delivery will be made F.C.A. CoorsTek’s manufacturing site (the “Delivery Point”) using CoorsTek’s standard packaging and containers for the Goods. Any dates specified for delivery of the Goods are an estimate only and time for delivery will not be made of the essence by notice to CoorsTek. CoorsTek will not be liable for any delay in delivery of the Goods that is caused by an event described in Section 15, Buyer’s failure to provide CoorsTek with adequate delivery or other instructions that are relevant to the supply of the Goods, or any other cause outside the control of CoorsTek. A delay will not entitle Buyer to terminate or rescind the Order, unless such delay exceeds 180 days.

7. TITLE & RISK OF LOSS. Risk of loss and title will pass to Buyer upon delivery at the Delivery Point. Title in the Goods shall pass to Buyer upon payment in full of the purchase price, including any interest and/or expenses in respect thereof and payment of any claim in connection with or arising out of the Order. Until title in the Goods has passed to Buyer, Buyer shall not assimilate, transfer or pledge any of the Goods, or grant any right or title in the Goods to any third party, except in the event such right or title is granted in normal course of business. Buyer shall ensure that the Goods remain identifiable as Goods obtained from CoorsTek. Buyer shall at all times grant CoorsTek (or its representative) free access to the location where Buyer has stored the Goods. In the event Buyer does not fulfill its payment obligations towards CoorsTek, or gives reason to believe that it will not fulfill any or part of its payment obligations, Buyer is obliged at CoorsTek’s request to return to CoorsTek, at Buyer’s cost, the Goods and Buyer agrees to fully cooperate with CoorsTek in order to enable CoorsTek (or its representative) to collect the Goods.

8. ACCEPTANCE. Unless otherwise stated on the Order, Buyer must accept delivery of the Goods within 5 days of CoorsTek’s notice to Buyer that the Goods have been delivered to the Delivery Point. If for any reason Buyer fails to accept delivery of any of the Goods within such 5 day period, then: (a) the Goods will be deemed to have been delivered and accepted by Buyer; (b) risk of loss to the Goods will pass to Buyer; and (c) CoorsTek, at its option, may store the Goods until Buyer receives them, whereupon Buyer will be liable for all related costs and expenses (including, without limitation, storage and insurance).

9. INSPECTION & REVOCATION. Buyer must inspect the Goods for any apparent defect, damage, or shortage within at least 30 days of the date of delivery. Buyer must provide written notice to CoorsTek of any defect, damage, or shortage within such 30 day period. If Buyer does not provide notice within such 30 day period, Buyer will be deemed to have accepted the Goods and will not be entitled to object to or reject the Goods or any portion of them. Buyer’s sole and exclusive remedies for any defect, damage, or shortage with respect to the Goods are set forth in Sections 16, 17 & 18.

10. QUANTITY. If the Goods provided to Buyer under the Order are custom goods pursuant to Section 5, then CoorsTek reserves the right to

over or under ship by 10% of the ordered quantity for any given shipment until the Order is complete, and invoice Buyer for the amount actually shipped. CoorsTek may, in its sole discretion, without liability or penalty, make partial shipments of Goods to Buyer. Each partial shipment will constitute a separate sale, and Buyer will pay for the units actually shipped. Nothing herein will relieve either party from fulfilling the obligations set forth herein, and Buyer will not be entitled to object to or reject the Goods or any portion of them by reason of a surplus, shortfall, or partial shipment.

11. CARRIER. Buyer will be responsible for all loading costs and provide equipment and labor necessary for receipt of the Goods at the Delivery Point. In the event that Buyer designates a specific carrier to take delivery of the Goods at the Delivery Point, CoorsTek will attempt to use that carrier, provided that CoorsTek may select an alternate carrier to transport the Goods if CoorsTek, in its reasonable discretion, determines that the use of an alternative carrier is necessary to satisfy the delivery requirements. All freight, insurance, and other shipping expenses will be borne by Buyer. Buyer will inspect shipments for freight damage at time of receipt, immediately notify the carrier and CoorsTek of any freight damage, and file its claim directly with the carrier. CoorsTek is not liable for damage or losses incurred by Buyer as the result of freight damage or delays.

12. HANDLING FEE. If CoorsTek agrees to prepay freight charges on behalf of Buyer and add the prepaid freight charges to the total costs of the Order, then CoorsTek may charge Buyer an additional administrative handling fee for each such shipment.

13. NON-DELIVERY. CoorsTek will not be liable for any non-delivery of Goods (even if caused by CoorsTek's negligence) unless Buyer gives written notice to CoorsTek of the non-delivery within 10 days of the date when the Goods, in the ordinary course of events, would have been delivered. Buyer's sole and exclusive remedy for non-delivery of the Goods will be limited to replacing the Goods within a reasonable time or adjusting the invoice respecting such Goods to reflect the actual quantity delivered.

14. RESCHEDULES & CHANGES. Unless otherwise stated in the Order, all Goods ordered by Buyer must be deliverable no later than 12 months after the date of the Order. Changes in the delivery schedule initiated by Buyer must be agreed to in writing in advance by CoorsTek and will incur the following minimum fees (expressed as a percentage of the rescheduled shipment's value): within the same shipping month = 0%, 1 to 3 months = 2% per month, 3 to 6 months = 3% per month. Rescheduling requests exceeding 6 months or requests to place an order on indefinite "HOLD" will be treated by CoorsTek as an improper termination of the Order by Buyer, and CoorsTek will have all rights and remedies under the Order or at law related to such termination. In the event that Buyer actually purchases a quantity of Goods less than the ordered quantity, Buyer will pay for the shipped quantity at the recalculated unit price (as determined by CoorsTek in its reasonable discretion), and the balance of the Order will be cancelled.

15. EXCUSABLE DELAYS. CoorsTek will not be liable for damages (including, without limitation, consequential or incidental damages), nor be deemed to have defaulted under or breached the Order, for any failure or delay in its performance resulting from causes beyond its control, including without limitation: acts of God; fire, flood, earthquake, explosion or other casualty or accident; strikes, labor disputes, labor stoppages or slowdowns, or other industrial disturbances; inability to procure parts, supplies, raw materials, transportation facilities, fuel, power or labor; war, invasion, hostilities, terrorist threats or acts, riot, or other violence; breakage or failure of equipment, machinery or apparatus; any law, order, proclamation, regulation, ordinance, demand, requirement or action of any government agency; the default or declaration of a force majeure by a supplier or subcontractor of CoorsTek; or any other event, whether or not of the class or kind enumerated herein, beyond the reasonable control of CoorsTek which makes impractical the performance of the Services or the manufacture, transportation, or shipment of the Goods or of a material or other resource

upon which the manufacture, transportation, or shipment of the Goods depends. Should CoorsTek experience an excusable delay, it will cooperate with Buyer in reasonable ways to minimize the impact of such circumstances.

16. WARRANTY. CoorsTek warrants that, for a period of 12 months from the date of delivery of the Goods to the Delivery Point, the Goods manufactured by CoorsTek and provided under the Order will: (a) be free from material defects in material and workmanship; and (b) materially comply with the Specifications. These warranties do not apply to any Goods or materials that are manufactured by a third party and that constitute, contain, or are incorporated into, attached to, or packaged with the Goods. These warranties also do not apply if (i) the damage to or defect in a Good is caused by abuse, misuse, accident, neglect, improper testing, installation, or handling, abnormal physical stress or environmental conditions, or use contrary to CoorsTek's instructions, (ii) Buyer or its agents or customers make further use of the Goods after discovery of a defect in such Goods, or (iii) Buyer or its agents or customers alter or repair the Goods without the prior written consent of CoorsTek. CoorsTek warrants that its Services will be performed by CoorsTek in accordance with generally recognized industry standards for similar services under similar circumstances. COORSTEK MAKES NO OTHER WARRANTY OF ANY KIND WHATSOEVER, EXPRESS OR IMPLIED BY LAW, COURSE OF DEALING, COURSE OF PERFORMANCE, USAGE OF TRADE OR OTHERWISE, OR AS STATED IN ANY COORSTEK LITERATURE OR OTHER SALES BROCHURES, WITH RESPECT TO THE GOODS, OTHER PRODUCTS, OR SERVICES PROVIDED UNDER THE ORDER. COORSTEK EXPRESSLY DISCLAIMS ALL IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. Experimental, developmental or special application Goods or Goods requiring destructive testing are sold without warranty. In such case, CoorsTek warrants that the goods shall meet applicable Specifications when shipped by CoorsTek but CoorsTek shall have no other or further responsibility whatsoever.

17. BUYER'S EXCLUSIVE REMEDIES. If any Goods do not conform to the warranties set forth in Section 16, CoorsTek will, at its option, repair or replace such Goods (or the defective part) or refund the purchase price for such Goods (or the defective part) at the pro rata contract rate by crediting Buyer's account, provided that, if CoorsTek so requests, Buyer will, at CoorsTek's expense, return such Goods (or the defective part) to CoorsTek. CoorsTek's exercise of one of these options will not prejudice its exercise of other options in other circumstances. Goods may not be returned to CoorsTek without Buyer first obtaining a Returned Goods Authorization Number. The return to CoorsTek of any nonconforming Goods and delivery of any repaired or replaced Goods will be at CoorsTek's expense unless, Buyer did not give CoorsTek written notice of the defect within 30 days of the time Buyer discovered or reasonably should have discovered the defect, or after inspection by CoorsTek, CoorsTek determined, in its reasonable discretion, that the returned Goods are conforming to the warranties set forth in Section 16. Buyer will retain title to returned Goods until CoorsTek verifies that the Goods do not meet the warranties set forth in Section 16. If any Services do not conform to the warranties set forth in Section 16, CoorsTek will, at its option, re-perform such Services (or the defective part) or refund the purchase price for such Services (or the defective part) at the pro rata contract rate by crediting Buyer's account. THE REMEDIES SET FORTH IN THIS SECTION 17 ARE BUYER'S SOLE AND EXCLUSIVE REMEDY AND COORSTEK'S ENTIRE LIABILITY FOR ANY BREACH OF THE WARRANTIES SET FORTH IN SECTION 16. IN NO EVENT WILL COORSTEK BE LIABLE FOR INCIDENTAL, CONSEQUENTIAL, SPECIAL, PUNITIVE, EXEMPLARY, OR INDIRECT DAMAGES OR LOSSES ARISING FROM A FAILURE OF THE GOODS OR SERVICES TO CONFORM TO THE WARRANTIES SET FORTH IN SECTION 16. The purpose of these express exclusive warranty remedies is to provide Buyer with replacement, exchange, re-performance, or credit for nonconforming Goods or Services. The exclusive remedies will not be deemed to have failed for their essential

purpose as long as CoorsTek is willing and able to replace, exchange, re-perform, or credit such nonconforming Goods or Services.

18. LIMITED LIABILITY.

(A) TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT WILL COORSTEK BE LIABLE TO BUYER OR TO ANY THIRD PERSON OR ENTITY WITH RESPECT TO THE SUBJECT MATTER OF THE ORDER, UNDER ANY LAW, TORT, CONTRACT, ESTOPPEL, NEGLIGENCE, STRICT LIABILITY, WARRANTY, OR OTHER GROUNDS, FOR ANY (I) INCIDENTAL, SPECIAL, PUNITIVE, EXEMPLARY, CONSEQUENTIAL, OR INDIRECT DAMAGES, OR (II) DAMAGES RELATING TO DIMINUTION OR DEPRECIATION IN VALUE, DELAY OR IDLE TIME FOR LABOR AND EQUIPMENT, OR LOSS OF SALES, CONTRACTS, BUSINESS, PROFITS, REVENUES, PRODUCTION, SAVINGS, DATA, OPPORTUNITY, USE, REPUTATION, OR GOODWILL, EVEN IF THE REMEDIES PROVIDED FOR IN THE ORDER FAIL FOR THEIR ESSENTIAL PURPOSE AND EVEN IF A PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF ANY OF THE FOREGOING DAMAGES OR THE FOREGOING DAMAGES COULD HAVE BEEN REASONABLY FORESEEN.

(B) SUBJECT TO SECTION 18(A) AND TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT WILL COORSTEK'S AGGREGATE LIABILITY ARISING OUT OF OR RELATED TO THE ORDER, UNDER ANY LAW, TORT, CONTRACT, ESTOPPEL, NEGLIGENCE, STRICT LIABILITY, OR OTHER GROUNDS EXCEED THE LESSER OF (I) THE TOTAL OF THE AMOUNTS PAID TO COORSTEK FOR THE GOODS AND SERVICES SOLD PURSUANT TO THE ORDER DURING THE 12 MONTHS IMMEDIATELY PRIOR TO THE INCIDENT GIVING RISE TO SUCH LIABILITY, OR (II) SEK 4,250,000.

(C) EXCEPT AS OTHERWISE EXPRESSLY PROVIDED HEREIN, ANY ACTION AGAINST COORSTEK MUST BE BROUGHT WITHIN 12 MONTHS AFTER THE DATE SUCH CAUSE OF ACTION ACCRUED. EACH PROVISION IN THE ORDER THAT PROVIDES FOR A LIMITATION OF LIABILITY, DISCLAIMER OF WARRANTY, OR EXCLUSION OF DAMAGES IS SEVERABLE AND INDEPENDENT OF ANY OTHER PROVISION AND IS TO BE ENFORCED AS SUCH.

19. ASSUMPTION OF RISK & INDEMNIFICATION.

(A) Buyer is solely responsible for determining that the Goods and Services are appropriate for Buyer's intended use or application. Buyer acknowledges that it is familiar with and assumes all risks and liability associated with the Goods and Services and their use. Unless otherwise agreed to by Buyer and CoorsTek in writing, Buyer is solely responsible for determining whether any verbal or written technical advice, assistance, recommendations, opinions, statements, or other information of CoorsTek is appropriate for Buyer's intended use or application. Any such information is provided by CoorsTek to Buyer on an "AS IS" basis, and CoorsTek makes no claims, promises, warranties, representations, or guarantees, either express or implied, concerning such information, including without limitation as to the accuracy, completeness, adequacy, quality, merchantability, and fitness for a particular purpose of such information.

(B) Buyer will indemnify, defend, and hold harmless CoorsTek and its owners, parents, affiliates, subsidiaries, officers, directors, employees, representatives, and agents, from and against any and all liabilities, losses, damages, claims, costs or expenses (including reasonable attorneys' fees and costs) incurred by CoorsTek with respect to (i) claims of misuse of proprietary information and infringements of IP based on designs, drawings, Specifications, or other information which Buyer provides to CoorsTek or which is developed by CoorsTek or others in conjunction with Buyer, (ii) the design, manufacture, integration or usage of a Good which alone or as a component in an assembly, is alleged or proved to have caused injury or

damage, (iii) Buyer's failure to comply with any applicable foreign or local law, rule, regulation, order, or ordinance, including without limitation export control laws, regulations, or orders, or Buyer's failure to provide CoorsTek adequate information related thereto, and (iv) any breach of Buyer's obligations under the Order.

20. INSURANCE. Buyer will carry and maintain the following insurance: (a) worker's compensation and employers' liability insurance as required by applicable law; (b) commercial general liability and umbrella liability insurance, minimum per-occurrence limit, general aggregate limit, and products completed operations aggregate limit of SEK 8,500,000; (c) comprehensive automobile liability insurance with limits not less than SEK 8,500,000; and (d) commercial property insurance covering the replacement cost of the property insured. All insurance policies will contain language waiving all subrogation rights against CoorsTek and will name CoorsTek as an additional insured. Buyer will provide to CoorsTek certificates of insurance upon request. Neither the failure of Buyer to comply with any or all of the insurance provisions of the Order, nor the failure to secure endorsements on the policies as necessary to carry out the terms and provisions of the Order, will be construed to limit or relieve Buyer of any of its obligations under the Order.

21. TOOLING.

(A) Any plant, machinery, equipment, molds, tooling, dies, test and assembly fixtures, gauges, jigs, patterns, casting patterns, cavities, and documentation (including engineering specifications and test reports) any accessions, attachments, parts, accessories, substitutions, replacements and appurtenances thereto (collectively, "Tooling") that CoorsTek requires to perform its obligations under the Order will, at all times, be and remain the sole and exclusive property of CoorsTek and in the custody and control of CoorsTek. Regardless of whether the cost of designing and producing any Tooling is paid for or reimbursed by Buyer, Buyer will have no ownership rights therein, except as set forth in Section 21(B) below.

(B) Buyer may purchase Tooling that CoorsTek specifically manufactured or acquired for the sole purpose of supplying the Goods to Buyer. Such purchase shall be made on pricing and terms set forth on the face of the Order or as otherwise agreed upon by CoorsTek and Buyer in a writing signed by an authorized representative of both CoorsTek and Buyer. The purchase price for the Tooling paid by Buyer shall be nonrefundable unless otherwise agreed upon by Buyer and CoorsTek in writing. Upon payment of the purchase price for the Tooling, Buyer shall be the sole and exclusive owner of the Tooling, except that under no circumstances shall Buyer obtain or receive any ownership, license, or use rights with respect to any CoorsTek IP or other proprietary information incorporated into, used to manufacture, or otherwise arising out of or relating to the Tooling. Any Tooling purchased by Buyer shall remain in the custody and control of CoorsTek. Upon termination or expiration of the Order, Buyer and CoorsTek shall agree upon whether any Tooling purchased by Buyer shall be delivered to Buyer or destroyed. If any Tooling purchased by Buyer will be delivered to Buyer, CoorsTek may, at its sole option, remove any CoorsTek IP or other proprietary information from the Tooling or destroy any Tooling where CoorsTek IP or other proprietary information cannot be removed.

22. BUYER SUPPLIED ITEMS. From time to time Buyer may supply CoorsTek with tooling, molds, equipment, or other items owned by Buyer to be used with or incorporated into the Goods (collectively, "Buyer Items"). Buyer Items must include explicit markings or other identification on them stipulating that they are Buyer's property. CoorsTek will use reasonable measures to protect and preserve Buyer Items while they are in CoorsTek's custody and control and will only be liable for replacement of Buyer Items if any of them are lost, destroyed, or rendered useless due solely to CoorsTek's gross negligence. Unless otherwise agreed to by the parties in writing, Buyer Items will be returned to Buyer upon expiration of the Order or CoorsTek's receipt of Buyer's written request in substantially the same condition as

received, less normal wear and tear. Buyer warrants that Buyer Items will comply with all applicable foreign, and local laws, rules, regulations, and ordinances and will meet all performance, specification, and inspection criteria of CoorsTek. CoorsTek will have a lien for any amounts owed by Buyer to CoorsTek attaching to all Buyer Items supplied by Buyer under this Section 22.

23. INTELLECTUAL PROPERTY. CoorsTek is the sole and exclusive owner of the IP associated with or attached to the Goods or Services. Any IP first made or conceived by CoorsTek in the performance of an Order, or which is derived from or based on information supplied by Buyer that is not otherwise subject to a separate written confidentiality agreement executed between the parties, will be the sole and exclusive property of CoorsTek. Buyer will execute such documents as necessary to perfect CoorsTek's title in all such IP and will irrevocably assign all such IP and other rights acquired by Buyer by operation of law or otherwise. Buyer agrees that the Order does not grant to Buyer, and that Buyer will not obtain or claim, any right, title, interest, option, or license to any IP now or hereafter held by CoorsTek. Buyer further agrees that it will not decipher, decompile, disassemble, or reverse engineer any of the Goods sold hereunder. As used herein, "IP" means all rights in and to domestic and foreign (a) patents, patent disclosures and inventions (whether patentable or not), (b) trademarks, service marks, trade dress, trade names, logos, corporate names and domain names, and other similar designations of source or origin, together with the goodwill symbolized by any of the foregoing, (c) copyrights and copyrightable works (including computer programs), and rights in data and databases, (d) trade secrets, know-how and other confidential information, and (e) all other intellectual property rights, in each case whether registered or unregistered and including all registrations and applications for, and renewals or extensions of, such rights, and all similar or equivalent rights or forms of protection in any part of the world.

24. CONFIDENTIALITY. All non-public, confidential, or proprietary information of CoorsTek (including, without limitation, the terms of the Order and any specifications, samples, patterns, designs, plans, drawings, documents, data, business operations, customer lists, pricing, discounts, or rebates) disclosed by CoorsTek to Buyer or which Buyer becomes aware in the course of carrying out its obligations under the Order, whether disclosed orally or in written, electronic or other form or media, and whether or not identified as "confidential," is confidential and may not be disclosed or copied by Buyer without CoorsTek's prior written consent. Upon CoorsTek's request, Buyer will promptly return all documents and other materials of CoorsTek. CoorsTek will be entitled to injunctive relief for any violation of this Section 24. This Section 24 does not apply to information that is: (a) in the public domain through no act or omission of Buyer; (b) known to Buyer at the time of disclosure as evidenced by written records; or (c) rightfully obtained by Buyer on a non-confidential basis from a third party.

25. TERMINATION.

(A) Each party will have the right to terminate the Order (a) upon a material breach by the other party of any term or condition stated in the Order, provided that the non-breaching party gave the breaching party written notice of the breach and the breaching party failed to cure such breach, or present the non-breaching party with a plan to cure such breach, within 10 days after the breaching party's receipt of the written notice of such breach, or (b) in the event the other party becomes insolvent, files a petition for bankruptcy, or commences or has commenced against it proceedings relating to bankruptcy, receivership, reorganization, or assignment for the benefit of creditors. In the event that CoorsTek finds that Buyer has breached any other order or contract that Buyer has with CoorsTek, CoorsTek may terminate the Order, in whole or in part. Buyer will remain liable under the Order in the event of such termination by CoorsTek. CoorsTek may also terminate the Order or suspend performance or deliveries under the Order if the costs incurred by CoorsTek in performing its obligations under the Order exceed

the amounts paid by Buyer to CoorsTek for Goods and Services supplied under the Order.

(B) Buyer shall only be entitled to terminate the Order early for convenience if Buyer placed the Order pursuant to Buyer's prime contract with a government and such prime contract is terminated by the government or is so changed by the government as to necessitate termination of the Order. In such event, Buyer may terminate the Order or any part thereof by written notice to CoorsTek specifying the extent of termination and the effective date. In the event of such termination, CoorsTek shall immediately stop all work and shall immediately cause any and all of its suppliers and subcontractors to cease work. CoorsTek shall be paid a percentage of the Order price reflecting the percentage of the work performed prior to the effective date of termination, plus reasonable charges CoorsTek incurred resulting from the termination. CoorsTek shall not be required to comply with the governmental cost accounting standards or government contract cost principles for this purpose. This provision does not give Buyer or the government any right to audit CoorsTek's records.

(C) In the event of any early termination or cancellation of the Order by Buyer for any reason, in addition to any other remedies available to CoorsTek under law or under the Order (including this Section 25), CoorsTek shall be entitled to payment for all work performed through the date of termination, plus reimbursement of all costs for materials, tooling, WIP, shipping, transportation, handling, and labour incurred by CoorsTek through the date of termination, less any value for scrapped materials received by CoorsTek. All materials, tooling, and other items or property purchased by CoorsTek through the date of termination shall remain CoorsTek property and shall not be transferred to or become Buyer's property upon termination or upon any payment made by Buyer in connection with termination.

26. NON-WAIVER/SEVERABILITY. CoorsTek's waiver of any right under the Order will not constitute a waiver of such right or any other right on any other occasion. In the event any provision of the Order is determined to be invalid, such invalidity will not affect the validity of remaining portions of the Order, and the parties will substitute for the invalid provision a provision that most closely approximates the intent and economic effect of the invalid provision.

27. INDEPENDENT CONTRACTORS. The relationship of the parties established under the Order is that of independent contractors and neither party is a partner, employee, agent, or joint venturer of or with the other. Nothing in the Order will preclude CoorsTek from providing similar goods or services to others.

28. SUBCONTRACT & ASSIGNMENT. CoorsTek expressly reserves the right to subcontract all or part of the Order without the consent of Buyer. CoorsTek reserves the right to assign any of its rights or obligations under the Order without the consent of Buyer. Buyer will not assign any of its rights or obligations under the Order without the prior written consent of CoorsTek. Any assignment without CoorsTek's consent will be null and void.

29. SURVIVAL. The provisions of the Order that, by their sense and context, are intended to survive performance by either or both parties will also survive the completion, expiration, termination, or cancellation of the Order.

30. TAXES. Prices do not include, and Buyer is responsible for the payment of all, taxes associated with the Goods and Services provided hereunder, including without limitation sales, use, excise, rental, personal property, and any other taxes or assessments levied by any domestic or foreign governmental authority.

31. COMPLIANCE WITH LAWS. Each party must comply with all applicable standards, provisions, and stipulations of all foreign and local laws, rules, regulations, ordinances, and Executive Orders. In addition, each party

will, at all times, act in a lawful manner and will not use monies associated with the Order to bribe government officials.

32. EXPORT COMPLIANCE. Buyer shall not export, re-export or otherwise transfer, directly or indirectly, Goods, technical data and/or Services provided by CoorsTek in violation of the laws of United States, Sweden, or any other applicable law. Buyer is responsible for obtaining any necessary government authorization required to ensure compliance of Buyer with applicable export control laws. Buyer shall at all times be in full compliance with these laws and regulations. Buyer shall also be solely responsible for full compliance with laws or regulations relating to the importation of Goods into the country of destination, including payment of any duties on such Goods, and Buyer, or its agents, shall make available to CoorsTek all documentation received or used for the shipment of all Goods. CoorsTek may require Buyer to provide CoorsTek with written certification relating to Buyer's compliance with applicable export and import laws. Buyer will indemnify CoorsTek for claims made against CoorsTek for Buyer's failure to comply with applicable export and import laws, regulations, orders and policies. Orders requiring CoorsTek to obtain export licenses will be subject to additional fees and/or minimum order requirements. Buyer represents and warrants that any export controlled Goods or information that are subject to export controls laws will be appropriately marked or otherwise labeled in accordance with applicable law.

Buyer may contact the CoorsTek Trade Compliance Department by e-mail at tradecompliance@coorstek.com with questions regarding export requirements.

33. AIRCRAFT COMPONENTS. Unless otherwise stated on the Order, Buyer warrants that the Goods or Services are not intended for use as components or components of assemblies used in aircraft (military or commercial).

34. MEDICAL DEVICES. Unless otherwise stated on the Order, Buyer warrants that the Goods or Services are not intended for use as components or components of assemblies used in implantable medical devices, are not finished medical devices, and are not medical devices requiring governmental approval.

35. CHOICE OF LAW, JURISDICTION, & VENUE. The laws of Sweden will govern, construe, and interpret the Order, notwithstanding conflict of laws. The United Nations Convention on Contracts for the International Sale of Goods (the Vienna Sales Convention) is not applicable to the Order. Any dispute, controversy or claim arising out of or in connection with this contract, or the breach, termination or invalidity thereof, shall be finally settled by arbitration administered by the Arbitration Institute of the Stockholm Chamber of Commerce (the "SCC"). The seat of arbitration shall be Stockholm. The language to be used in the arbitral proceedings shall be English.

36. MODIFICATION & MERGER. The Order may be modified only by a written agreement that is expressly designated as an amendment to the Order and is signed by both the parties. The Order comprises the entire agreement between the parties and supersedes all prior or contemporaneous oral and written understandings, agreements, negotiations, representations, warranties, and communications between the parties.
